MF Fleetmanagement

A quick look at our app

The driver's app provided by MF Fleetmanagement AG is here to support our customers and is specifically tailored to the needs of their drivers.

Our app offers simple, direct access to useful information and includes the following functions:

Refuelling	Saves your personal PIN and current mileage
Accident/breakdown	Direct assistance line in case of an accident or breakdown; emergency numbers
Tyres/bodywork	Saves partners and searches for locations; reminder functions
My vehicle	Personal information about your vehicle
News	Vehicle-related reminders and news
Driver's Manual	Important information concerning the services provided by MF Fleetmanagement AG

The app is available free of charge for immediate download for iOS (Apple) and Android (Google).

For further information, please contact:
